## About Newark Connect

Newark Connect is a mobile application that allows Newark residents to report **non-emergency neighborhood issues** or file complaints.

You can use the Newark Connect app either on your cell phone or tablet.

Once an issue is reported, a ticket will be created and routed to the appropriate municipal department as well as the City 4311 center.

Through the Newark Connect app, residents can also upload photos showing the reported problems, check the status of the reports, and even view and comment on reports submitted by others.

## How to create an account?

It is not mandatory to have an account to make a request, but residents who have an account can receive updates, submit feedback, ask questions, and interact with other residents through the app.

It is easy to create your account and you can even use one of your existing email or social media accounts.

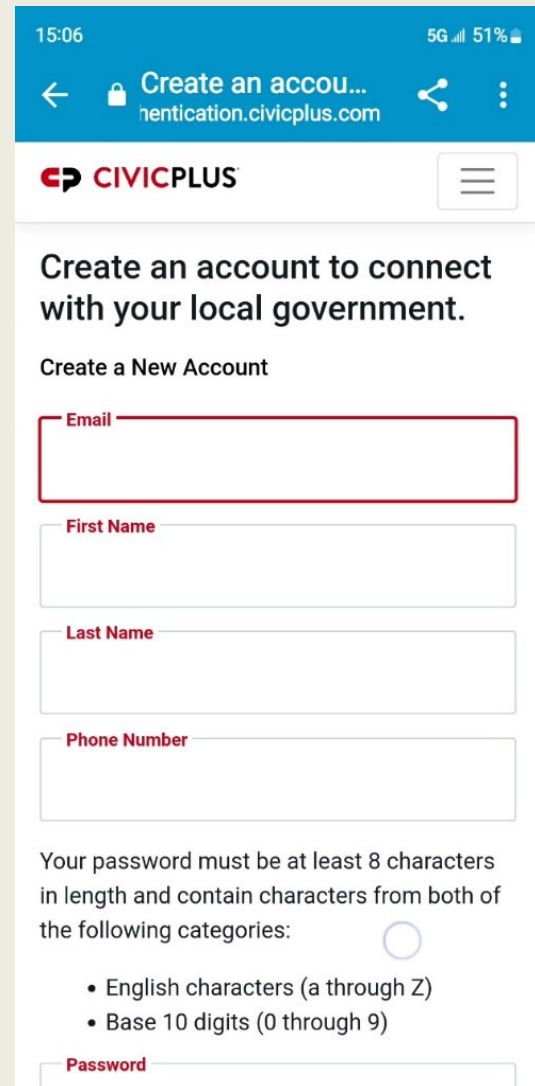

Sign in

## How to create an account?

### 2. SET A PASSWORD

Once you provide your email address, name, and phone number, you are ready to set your password.

Make sure it has at least 8 characters, consisting of both letters and numbers.

The screenshot shows the 'Create an account' screen in the Newark Connect App. The header includes the time 15:06, signal strength, and battery level (51%). The page title is 'Create an accou...' with the URL 'hentication.civicplus.com'. The CivicPlus logo is visible. The main heading is 'Create an account to connect with your local government.' Below this is the section 'Create a New Account' with input fields for 'Email', 'First Name', 'Last Name', and 'Phone Number'. A password requirement note states: 'Your password must be at least 8 characters in length and contain characters from both of the following categories:'. The categories listed are 'English characters (a through Z)' and 'Base 10 digits (0 through 9)'. A 'Password' input field is partially visible at the bottom.

If you opt to use one of your existing email or social media accounts, you will be using the same password as your Newark Connect password.

## How to create an account?

### 3. CHOOSE YOUR DISPLAY NAME AND THAT'S IT!

Inform how you prefer to have your name displayed.

Do not forget to check the box to agree with the Terms of Use.

The screenshot shows the "Complete Registration" screen of the SeeClickFix app. At the top, the status bar shows 15:07, 5G signal, and 50% battery. The app header is blue with a back arrow, a lock icon, the text "SeeClickFix seeclickfix.com", a share icon, and a menu icon. The main content area is white and contains the following fields and options:

- Email:** A text input field containing "smithmary.lovescats@gmail.com".
- Display Name:** A text input field that is currently empty.
- This is how your public requests will be attributed. It is hidden when you choose to submit a request anonymously.*
- Default Location:** A text input field containing "Press 'Choose' to select a locat". To the right of this field is a button labeled "CHOOSE" with a three-dot menu icon below it.
- I agree to the [Terms of Use](#)
- A blue button labeled "REGISTER" at the bottom.

That's it! Now you are ready to just sign-in the next time you use the Newark Connect app.

## How to make a request or complaint?

### 1. START THE REPORT

To initiate submitting your request or complaint, tap the orange button with the + (plus) sign, located at the bottom of the screen.

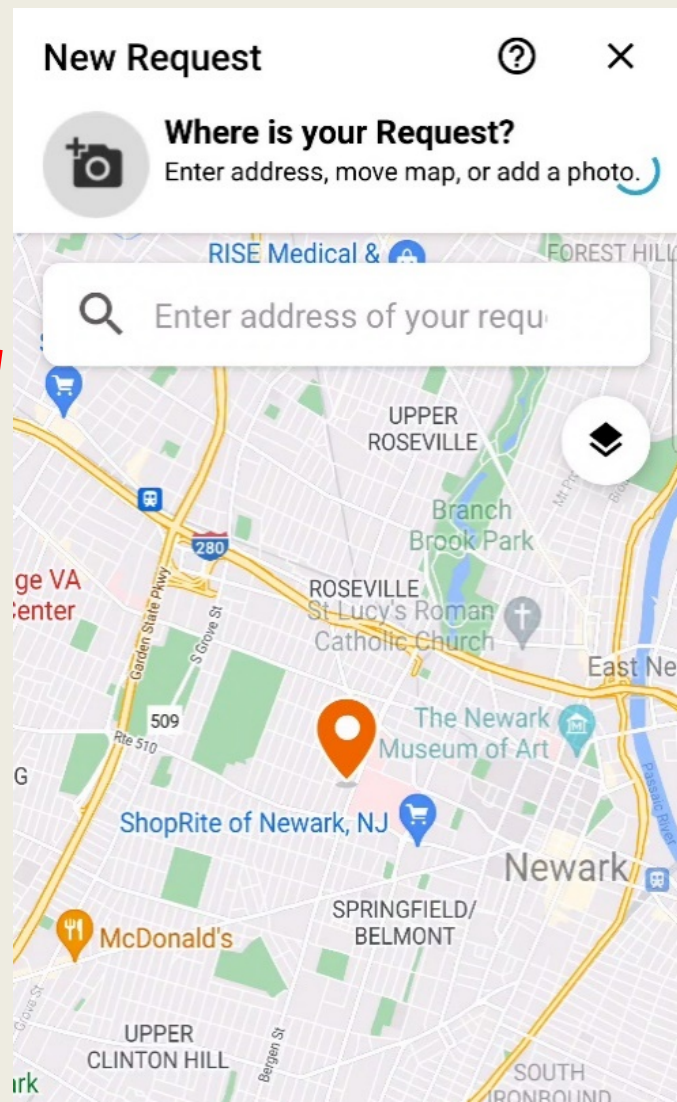

## How to make a request or complaint?

### 2. FIND THE LOCATION OF THE ISSUE ON THE MAP

The Newark Connect app instantly finds your exact location and shows it on map.

You also have the option to move the pin manually or type in an address on the search bar.

## How to make a request or complaint?

### 3. CHOOSE THE TYPE OF ISSUE

Once you confirm the location, the app displays several types of reports for you to choose from the list.

There are 28 categories of problems that may be reported using the app.

Select a Category ? ×

**What is your Request?**  
28-44 Bleeker St, Newark, NJ 07102, USA

Search for category

City of Newark

- Abandoned Property
- Animal Complaint
- Business Complaints
- Damaged Sidewalk | *Private Request*
- Environmental Complaint (Garbage & Debris, Weeds/ Vegetation, etc.)
- Fire Code Violations
- Graffiti Removal Request

## How to make a request or complaint?

### 4. UPLOAD A PICTURE OF THE ISSUE

After selecting the type of report, you may add a picture showing the issue.

You can take a photo or choose one from your device gallery.

In the following screen, you may post detailed information on the issue you are about to report.

## How to make a request or complaint?

### 5. INFORM YOUR DISPLAY NAME

Since all reports are public, here you may choose if you want to submit your request anonymously or keep your display name from your account.

The screenshot shows the 'Submit' screen for a 'Graffiti Removal Request'. The title is 'Submit' with a help icon and a close icon. Below the title is a camera icon and the text 'Graffiti Removal Request' followed by the address 'Washington St At Market St, Newark, NJ 07102, USA'. A message states: 'This is a public request and will be submitted to City of Newark.' There are two options: 'SHOW IDENTITY' (which is selected and underlined) and 'HIDE IDENTITY'. A callout box explains the visibility of the request:

**Viewable to the public and the organization:**

- Summary page, photos, and comments
- All request details
- Your display name (Mary)
- Your email will be sent to the organization

At the bottom, there are two buttons: 'SUBMIT AS MARY' (highlighted with a red rounded rectangle) and 'SUBMIT REQUEST AS A GUEST' (highlighted with a white rounded rectangle). The word 'or' is centered between the two buttons.

## How to make a request or complaint?

### 6. SYSTEM VERIFICATION

As a final step, you will be asked to select the matching pictures.

After passing the system verification, your request or complaint is submitted!

## How to make a request or complaint?

### 7. REPORT'S ID NUMBER

All reports are identified with a unique reference number.

After submitting your report, you can check the ID number attributed to your request and that it is already assigned to one of Newark's City officials.

## How to interact and check existing reports?

### 1. CHECK THE REPORTS

When you open the app, tap the “requests” button on the menu bar at the bottom of the screen.

The location of each posted report is signaled on the map as a pinpoint.

Orange pinpoints are open reports. Blue pinpoints are closed reports.

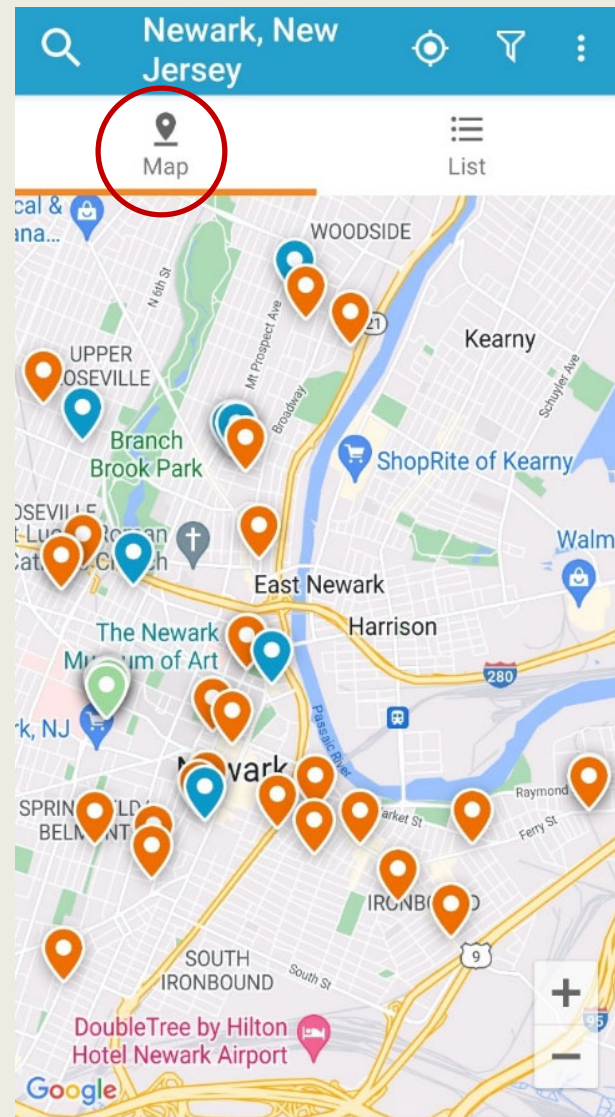

## How to interact and check existing reports?

### 2. MOVE THROUGH THE MAP

You can move through the map by dragging it with your fingers.

You also can zoom the map in and out by expanding and contracting it with your fingers.

Tap a pinpoint and it shows the category of request or complaint that was submitted for that location.

## How to interact and check existing reports?

### 3. FILTER REPORTS

The “Filter” tool, located at the top-right of the requests screen, serves to search for reports by their situation.

#### Filter

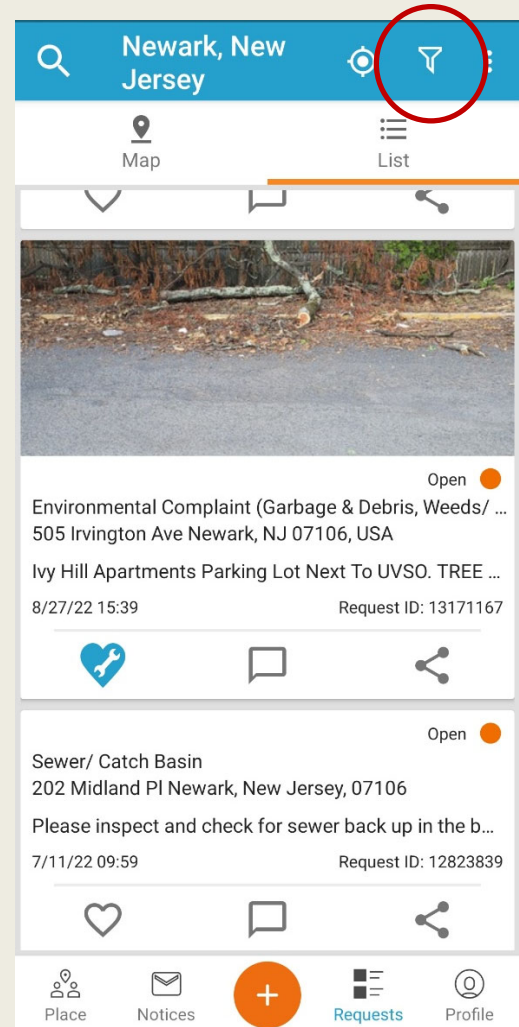

Search by Keyword or Request ID

- Open
- Acknowledged
- Closed
- Archived

Sort results by

- Closest
- Newest
- Followers

[CLEAR ALL](#) [SEARCH](#)

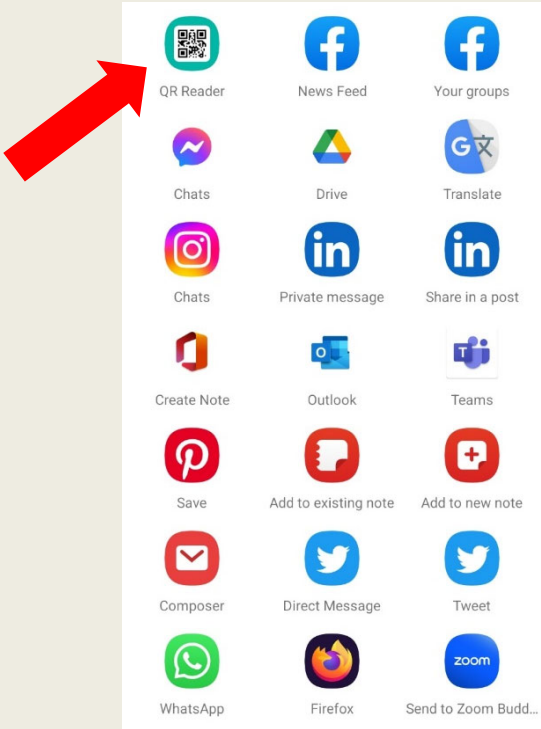

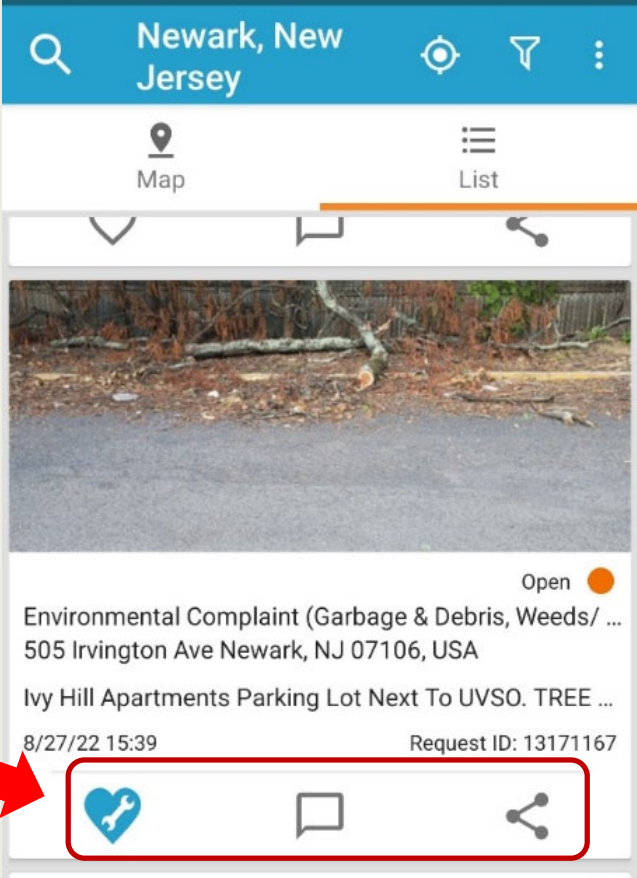

Filter the reports by *open, acknowledged, closed, or archived*, and sort the search results.

# How to interact and check existing reports?

## 4. FAVORITE, COMMENT, AND SHARE REPORTS

Under each report, you find a bar with three buttons: favorite, comment, and share. This is how you may interact and engage.

You can share a report via social media, email, or with a QR Code.

## How to interact and check existing reports?

### 5. NOTICES

At the bottom of the screen, you have the “Notices” area.

This is where you find the notices you receive regarding your submitted reports.

You can always check your reports and comments in your “Profile” area, also located at the bottom of the screen.

Now you know how to track the resolution of your reports, check the reports submitted by other residents, and engage to improve your community.

Together we can make the City of Newark a better place for all!
