MPA Elective

Rutgers-SPAA announces a unique and exciting opportunity for graduate students.

This 3-credit, graduate-level elective course immerses students in the inner workings of Seoul, Korea - one of the most technologically advanced cities in the world.

Participants will attend interactive lectures (simultaneously translated into English) from senior level Seoul government officials, participate in field trips to government sites, and have ample time for sightseeing and learning about the culture of Korea throughout the stay.

Requirements:

1. If you have interest in this course, download the application form at <https://spaa.newark.rutgers.edu/international-opportunities> and submit the application form to jmshon@rutgers.edu before Feb. 15, 2020
2. Selected students must depart for Seoul in May 16, 2020 and stay in Seoul until May 23, 2020
3. Selected students should attend preparative classes in SPAA on Saturdays in March and April 2020 (The first meeting will be on March 7)
4. Students officially register for this elective course (3-credits) in the summer session of 2020
5. Students purchase the flight ticket at their own expenses, but all expenses for lodging and meals are funded by the City of Seoul
